BRANFOOT

AFTER a tremendous team performance at Wolverhampton last Saturday, despite the result, it was strange to see the same players perform so ineptly in the first half against Torquay. Where we had been bubbly, full of running, and oozing confidence at Molineux, we were quiet, tentative and short of confidence at Elm Park. It is not easy to understand if you have not played the game, but the pressure of playing in front of your own supporters can affect team performance drastically. Not only can it suppress ability and character but conversely, as we saw in the second half, it can stimulate and contribute to a good team performance. The second 45 minutes were vastly different to the first and it was only because we managed to score that confidence flooded back. At that time support too flooded back and instead of complaints we got cheers. That means so much to the players. There are no players at this club who lack effort, there are no players at this club who do not want to work and win, but there are some who are adversely affected by criticism and jeers.

I am not asking the supporters to stop criticising, for if you are paying good money it is your right to be free to say what you wish and express your views. However, what you must realise is that you are not helping the situation at all, indeed, you are adding to the problem and compounding the issue. At the end of the game we are all after the same thing, a win. We would far rather do it with your support and assistance than with your criticism and jeers.

Welcome to Phil Neal and his Bolton team, directors and supporters. After a brief visit to the Fourth Division, Bolton are back on the rise hoping to recapture former glories. We have had some stirring games against them in past seasons and no doubt we are in for another today. Enjoy the game!

ROYAL REWARD!

Reading fan Neville Bedding will be watching his Elm Park favourites courtesy of his brewery office colleagues this season following a party and presentation marking his 40 years service with Royals sponsors, Courage.

Neville, who lives at Thirlmere Avenue, Tilehurst, was presented with a club season ticket at a surprise luncheon at the White Hart, Thatcham, organised by his workmates from Courage's Reading depot.

A senior tenanted sales assistant, Neville completed four decades with the brewers last month but his association with the Royals goes back to wartime football when he saw his first match at Elm Park against Arsenal in 1944.

HALF AN HOUR IN FRONT OF THE BOX, THEN YOU CAN INTERVIEW US

Have you ever been to an interview where you're bombarded with questions and left feeling too tense and nervous to ask the questions you really want answered? It's an experience most of us have had the misfortune to go through. Which is why we, at Sun Alliance Pensions, Life and Investment Services have devised a completely new way of meeting prospective candidates.

We're looking for positive, confident men and women aged between 25 and 55 who are interested in making a great new career in the fore front of Britain's biggest growth sector — financial services.

We don't expect you to have any preconceived ideas of what the career entails. Instead, call into your local Sun Alliance Pensions, Life and Investment Services office. We'll show you a video called 'The Career Builders' in which real people talk about their experience as financial consultants.

Then, once you've got a realistic insight into what's involved, it's up to you to ask us anything you want to know. It's all very friendly and relaxed. And afterwards, if you're interested — well, we'll take it from there.

In the meantime, phone Les Willis on 0734 441044 or Eric Vallance on 01-840 3415 to arrange a convenient time for you to call to see the video. You might find the career you've been looking for.

MEET THE

BOLTON WANDERERS

with **STEVE GOLDREICH**

VISITORS

AFTER plunging from First Division to Fourth in seven years, Bolton Wanderers are on their way back.

The Lancashire club, relegated to Division 4 for the first time last year, bounced straight back in May.

For much of the season they hovered on the fringe of the top three, seemingly unable to reach the third promotion place behind Wolves and Cardiff. But as better-placed rivals Scunthorpe and Torquay dithered, Bolton won three of their last four games to pip them by a single point.

It all came right on the last day for Wanderers, who won 1-0 at Wrexham with a Robbie Savage goal while Scunthorpe won 2-1 at Torquay. Had either result been different, Phil Neal's men would have missed out.

The Trotters ran up some impressive wins during the campaign, beating Newport 6-0, Carlisle 5-0, Colchester 4-0 and Peterborough 4-0 away.

Top goalscorer, with 28 in all competitions last term, was striker John Thomas. The one-time Everton player is now in his second spell at Burnden Park, returning via Chester, Lincoln and Preston, and he has over 100 League goals to his credit.

Two former Reading loan players figured in Bolton's successful campaign — defenders Dean Crombie and Dave Sutton. Crombie joined us from Grimsby for four games in 1986, while we took Sutton from Huddersfield for a nine-match spell in 1977-78. Wanderers released him during the close season.

Bolton's promotion-winning points total of 78 was a club record. It beat the previous best by 14.

The club is one of the twelve founding members of the Football League, which is now a century old. They themselves were formed in 1874 as Christ Church FC, and adopted their current name three years later.

Wanderers' heyday was the 1920s. They won the FA Cup three times, in 1923, 1926 and 1929, and finished third in Division 1 — their highest-ever placings — in 1921 and 1925.

They won the FA Cup once more, beating Manchester United 2-0 in 1958. Nat Lofthouse, who scored both goals, became Bolton's most-capped player with 33 for England and their record League scorer. He is now club president.

Following this triumph the Burnden club went from the First Division to the Third and back again by 1978. But two years later they started on a slide that took them down to the basement in 1987.

Wanderers began the new campaign with a trip to Southend, going down 2-0. Former Royal David Crown scored the Essex club's second goal.

The Trotters bounced back a week later beating Cardiff 4-0. The goals coming from John Thomas, Gary Henshaw and a Julian Darby brace.

Wanderers received a bad setback when they crashed out of the Littlewoods Cup 3-1 on aggregate at Chester, defender Mark Came broke his leg.

Manager Phil Neal has been at Burnden Park since December 1985. Capped 50 times for England, he won a sackful of club honours during a career at Liverpool in which he made over 500 appearances. His playing career began at Northampton, and even now he still turns out for Bolton.

Our last meeting at Elm Park, on October 5, 1985, was one of the most nailbiting games here in years. Royals had won their first ten League games of the season, and together with Manchester United were bidding to equal Tottenham's record start.

We took a tenth-minute lead through Steve Wood, then missed a number of chances and hung on desperately as Wanderers came close to equalising.

But we held out for a 1-0 win, and to add to the delight of the crowd United could only draw their game at Luton. A week later we went on to break Spurs' record at Newport.

Bolton's one other League visit to Elm Park came in October 1984. We won 3-1 with goals from Colin Duncan, Dean Horrix and Trevor Senior, Jeff Chandler replied for the visitors.

HELPING THE GAME

The Football Trust receives £9 million annually from the Spotting the Ball competition run by Littlewoods, Vernons and Zettlers and spends it all on projects which benefit football throughout the United Kingdom

Since 1979 it has been committed to the development of the game at every level and its broad and varying initiatives have ranged from essential safety work at Tottenham to social work at Torquay, refurbishment at Wembley to repairs at Welling, closed circuit television at all League clubs to community facilities at Oldham Athletic, transport improvements at Sheffield Wednesday to storm damage in the South East of England, from policing costs at Hull City to an artificial pitch at Hyde United

1988-89 will see The Football Trust increase its commitment by investing further sums in closed circuit television, transport facilities for supporters and projects to bring Football League clubs closer to their local community

WARNING

At the beginning of the season more than 110 League grounds in England, Wales and Scotland will be equipped with CLOSED CIRCUIT TELEVISION which has been funded by The Football Trust

It is there to increase crowd safety and to help the police. Recording facilities enable film and photographs to be taken of disorder, which may subsequently be used in a court of law

SAFETY FIRST

Football grounds in England and Wales have reached their highest ever level of safety thanks to the £23,671,425 invested by the Football Grounds Improvement Trust since 1975

Almost every League club has been assisted with essential safety work and further substantial sums have been spent to enable them to improve facilities. In the past year alone FGIT grants to Football League clubs totalled:

	£
Safety	2,254,723
Improvements	770,561

In addition to its safety programme, FGIT has also allocated £1.5 million to build or improve family and disabled facilities at League grounds during 1988

PLEASE remember there is a 'No Smoking' rule in the stands. We would respectfully ask you all to observe this.

Fanfare...

GOOD afternoon and a warm welcome to you all to Elm Park and in particular to our visitors from Bolton Wanderers. The Royals are away for the following two Saturdays, at Wigan on the 17th and at Gillingham on the 24th. The Supporters Club will be running coaches to both matches and you can book up today by visiting the main Supporters Club office under 'C' stand. Remember to travel on the coach you must be a member of the Supporters Club, to join it is only 50p from either the office or the main shop in the South Bank. Membership of the new Social Club, which also includes supporters club membership, is £10 for adults only. The new Social Club is open all week both lunchtime and evenings and is finished to a very high standard.

For the programme collectors amongst you I am pleased to advise you that a number of collections have been purchased during the close season and these will be on sale as from today. Homes back to 1949 are now in stock and aways back to the mid 1950's. If you require any please bring your lists up for checking. England homes back to the early 1960's along with many cup finals and semi-finals are also available, many at reduced prices. More recently all of last season's programmes (except Reading home and away) are half price and bundles of 50 programmes from previous seasons are just £1.00 each.

The Supporters' Club will again be running a football quiz this season and for the 10th season will be sponsored by Thames Valley Cleaning Contractors, for which we give Roy Tranter our grateful thanks. Last season's competition was in fact won by the sponsors for the first time and their team included John Campbell, Paul Black, Willie Rush, Steve Raybould and Eddie Scott. They defeated Timaloy Bhoys (the previous season's winners) by 20 points in a well contested match. In the National Federation League, the Supporters' 'A' team won the First Division at their second attempt and achieved it in style by winning every match. The standard of the competition is very high and we offer our belated congratulations. The 'A' team also finished runners-up in the League Cup, losing to London Blackpool in the final by just five points. The 'B' team finished third in Division 1 behind London Blackpool and the 'A' team. I am sure you will agree that the members of both teams did magnificently.

● Sheffield United showed their win at Elm Park was no flash in the pan as they ran in four against Bristol Rovers at Bramall Lane. A crowd of just under 10,000 packed the terraces to see United win 4-1 and move to the top of the first league table of the campaign.

● *Today's opponents Bolton were also in goal-scoring mood. All their goals came after the break when Cardiff were reduced to ten men.*

● **Another side finding no trouble hitting the back of the net were Bristol City. They crushed Chesterfield 4-0 at Ashton Gate with Alan Walsh bagging a brace.**

● Former Reading loan player George Shipley was on target for Jerry Williams' Gillingham in their 2-0 victory at Aldershot. The Shots are one of four sides yet to pick up a point so far.

● *Radio 210's David Hamilton is already beginning to talk about promotion for his beloved Fulham. They made it six points out of six against Southend thanks to a late strike from Gordon Davies.*

● **Huddersfield picked up their first victory in several months with a 2-0 success at home to Preston. Former Oxford defender Malcolm Shotton scored the second.**

● Chester are another unbeaten side in the division. They took the points at Port Vale with a 2-1 win. Ron Futchter was on target for the home side. Remember him Hicksie??

● *Wigan, Reading's opponents next week, were held to a goalless home draw by Mansfield. Neither side has yet won a game.*

● **Finally news from the fourth. Ex-Reading striker Phil Stant was on target for Hereford as they crushed Colin Bailie's Cambridge 4-2.**

20 YEARS AGO . . .

HAVING beaten Hartlepool 7-0 the previous week Reading travelled to Walsall on 7th September 1968 full of confidence. Not surprisingly we took the game to Walsall and were rewarded after 16 minutes when John Sainty gave us the lead after good work by John Collins and Denis Allen. After the break Walsall showed more determination and on the hour Wilson equalised for them after a goalmouth scramble then with 13 minutes to go the home side took the lead when Nick Atthey scored a spectacular solo goal. Reading refused to concede the game and with six minutes to go John Sainty headed in Denis Allen's free kick to give us a 2-2 draw. In the same week John Chapman, Reading's tough tackling defender escaped suspension following what must have been the most farcical sending offs in Reading's history. In our League Cup tie at Colchester the previous month Chapman had stepped off the pitch to receive instruction while Reading were making a substitution. The referee promptly booked him for leaving the pitch without permission and then sent him off for entering the pitch without the refs OK.

Bolton were losing by the only goal of the game in a Second Division game at Blackpool, while in the same division Birmingham and Palace were both hitting five goals, passed Huddersfield and Carlisle respectively. Highest scorers of the day were Spurs who beat Burnley 7-0 at White Hart Lane.

40 YEARS AGO . . .

ON 11th September 1948 we travelled to Ipswich still looking for our first points away from Elm Park that season. Things began disasterously for us as Jennings and Parker put the home side 2-0 up in the first half but we pulled a goal back when Bill Green converted a penalty given for hands. We then had a goal disallowed and to make matters worse Dempsey made it 3-1 just before half time. Reading dominated the second half and Tony MacPhee hit the bar before Vic Barney pulled another goal back for us but we were unable to get an equaliser and so lost 3-2. On the same day Bolton were doing what every modern club dreams of, they won at Anfield by the only goal of the game. High scoring games

that day were at Stamford Bridge where Chelsea beat Everton 6-0 and in Division Three North where York won by the same score. Most goals though came at the Den, Millwall beating Brighton 6-2 in a Division Three South game.

60 YEARS AGO . . .

READING had made a disasterous start to the season with only one point from the first four games when we met Southampton at Elm Park on 8th September 1928. Manager Andrew Wylie had made five changes the previous week and the new look team had responded with their first point in a goalless draw against Preston. He kept the same team for the Saints' visit but again the forwards failed to score, leaving the visitors to take both points with the only goal of the game, scored by Cribb. Despite the poor start the Reading supporters were remaining loyal with 15,504 paying £984 to watch this Second Division fixture.

On the same day Bolton, including future Reading player and manager Billy Butler, were losing 3-0 at home to Blackpool in the First Division.

TODAY'S THE DAY

Reading have won as many away games on 10th September as we have at Elm Park but as we have only won twice at home in the League that's not too difficult. Only six League games have been staged at Elm Park on this date, the last back in 1966 when we drew 2-2 with QPR. Our two victories came in 1949 when we beat Ipswich 3-1 and in 1960 when Hull were defeated 2-0.

On the same day as we were beating Hull at Elm Park the first televised League game was being shown on ITV. The game played on a Friday was intended to be the first of a series of live matches but it was a dreary affair with Bolton winning 1-0 at Blackpool and the experiment was not continued.

A lot earlier, 90 years ago today, Sunderland played their first ever game at Roker Park and celebrated by beating Liverpool 1-0. Within six months this new ground was staging a full international that saw England rout Ireland 13-2.

"IN THE BOX"

with
**JONATHAN
RICHARDS**

I very nearly didn't make the Torquay match midweek after sitting in a car park at the Farnborough airshow attempting to escape for an hour and a half.

As the minutes ticked by I couldn't help but eye the passing helicopters with some jealousy.

But I was eventually released and made it to Elm Park.

But after 21 minutes of the game I must say I was beginning to think that being stuck in a traffic jam was a better way to spend the evening.

I'm glad to say that the team kept plugging away and the goals came. Any thoughts of a big name draw were soon dashed though, when our old cup rivals Bradford City were announced as our second round opposition.

I can only hope it's fate and that we will manage to remove them from the competition in some style, but

I'm afraid with all respect to Bradford the tie isn't that an exciting prospect.

Anyway that must be put to the back of the players' minds as they attempt to pick up their first League points this afternoon.

I must admit I missed their game at Wolves last weekend, but by all accounts it sounds like it was a performance full of promise. So let's hope that can be built on today.

As at the time of writing, the postal system in this country isn't . . . I've decided to postpone any future questions until things have got back to normal. But I'll announce the winner of the first competition next time.

Don't forget to try and get your dedications to me. Either drop them into the club offices or by hand to Radio 210 in Calcot.

LITTLEWOODS CUP SECOND ROUND

After our 3-1 victory over Torquay in the 1st round of the Littlewoods Cup we have been drawn in round two against our old adversaries Bradford City. The first leg will be played on Wednesday, 28th September kick-off 8.00pm at Elm Park and the 2nd leg at Bradford on Wednesday, 12th October.

THE Royals' second string were unlucky not to come back with a point from the trip to London after a battling performance against an experienced Fulham side which included Gary Peters.

Fulham took the lead early on but Colin Gordon headed home a right wing cross from George Friel before half time. The Royals had chances to win the game after the break but it was the home side who came out on top despite a tenacious display by the Royals youngsters.

Paul Franklin and Scott Taylor both missed the game with back injuries.

Reading Res: Phillips, Williams, Goodenough, Cox, Shaw, Chatterley, Saunders, Gordon, Friel (sub King), Beavon, Mitchell (sub Hodgson).

The Young Ones

Brentford Youth 5, Reading Youth 1

A very young and inexperienced Royals side found it tough going against Brentford who were always much stronger physically.

The Royals youngsters did well to hold the Londoners to only a one goal lead at the break but after half time it was a different story as Brentford's strength began to tell.

Midfielder David Hodgson scored the Royals consolation goal towards the end but to their credit the side kept battling to the final whistle.

Reading Youth: Cochram, Henderson, Aust, Mallins (sub: Caldicott), Stevens, Luck, Hodgson, Seymour, Lovell, Butler, Holtzman. Sub: Nightingale.

MANAGER Ian Branfoot takes the helm as the Royals set out for Molineux from Reading railway station.

Network SouthEast laid on a football "special" for the Reading team and over 300 fans for the trip to Wolves.

It's part of their continuing commitment to the success of the football club over the next three years.

For the players it made a welcome change and skipper Martin Hicks said: "The only bad thing about the trip was the result."
